

WORKERS' COMPENSATION

#### Sponsorship & Exhibiting Information

**Thursday, September 25th** Embassy Suites Franklin, TN

## About Us

The TNSIA is a non-profit organization dedicated to educating employers, insurers and service providers on workers' compensation issues. Today's business climate is challenging, demanding and ever changing. We pledge to work together to keep our members informed of current workers' compensation issues, including information regarding legislative actions and judicial decisions. Our members are not only self-insured employers, but also insured employers with high deductibles and the many service providers. We encourage information sharing that will help prevent injuries and accidents and help employers reduce their workers' compensation costs.
